

—Quileute Tribe Resource Guide—

Response to COVID-19

September 9th, 2020

Quileute Reservation remains closed to non-residents and non-Quileute Tribal members with the exception of tribal employees, caregivers, contractors, vendors, shipping and delivery, and United States Coast Guard personnel. An application is available for businesses, contractors, and visitors to fill out in advance.

The following resource guide identifies which businesses and tribal programs remain closed and which are operating with limited services and/or special restrictions.

It is our goal to protect our community and staff and limit exposure to COVID-19. **We ask that you keep safety in mind, continue to practice social distancing, and stay home, especially if you are sick.**
