PUBLIC NOTICE

ATTENTION TO ALL LA PUSH MARINA USERS!

- 1) Visiting Quileute Reservation is both a privilege and a responsibility.
- 2) All Customs and Laws are to be followed.
- 3) Please be respectful of the Quileute Community and keep our facilities clean and properly dispose of your garbage including fish carcasses or fish discards. All fish carcasses are to be taken out of the marina and disposed of in the Pacific Ocean, disposal in the marina is forbidden. Violation of this item will result in immediate expulsion (Quileute Law and Order Code Article XIII 13.19.20).
- 4) Conducting routine maintenance on the exterior of a boat (sanding, scraping) is not allowed, vessels must go to appropriate dry docks for hull maintenance-these are available in Port Angeles and Port Townsend.
- 5) Moorage agreements are for the purpose of securing vessels to the docks. Docks are considered public rights of way and are not to be used for storing personal items such as a freezer or other non-moorage related items. Any modification to the dock will be considered a violation of the moorage agreement.
- 6) Fueling of boat must occur at the fuel dock, no fueling from the dock with portable containers is allowed.
- 7) Failure to follow the conditions of La Push Marina use will result in forfeiture of moorage agreements and patrons will be expelled from the La Push Marina.
